

## Arkansas Service Commission

### AmeriCorps Grant Writing Workshop Registration

9:00 a.m. – 3:00 p.m. Friday, February 8, 2013

This workshop is for AmeriCorps-specific grant applications.

Participants will learn the information necessary to produce an application for AmeriCorps program funding in the 2013-2014 grant cycle. We will cover the service corps and six focus areas of Corporation for National and Community Service programs, identify the new national performance measures and tiers and discuss the financial and programmatic requirements of an AmeriCorps federal grant. You will learn the basics of AmeriCorps service, eGrants operating system, and the grant review and application process.

This workshop is free of charge and open to any agency interested in hosting an AmeriCorps program.

Registration is required for access to DHS facilities. **Registration deadline February 1, 2013.**

Please review the NOFO/application instructions at [cns.gov](http://cns.gov) and complete a concept paper prior to attending.
